I live in Sunset Town, a quiet neighbourhood in the south of the city. There is a big park in the middle of our town where people go to relax or play sports. On the corner of the park, there is a small café that sells the best sandwiches and coffee in the town. We go there to enjoy them, take a break, and chat with our friends. Next to the café, you can find a pharmacy for medicine and a grocery store for shopping. Opposite them, there's a library where you can find and borrow lots of books. Near the library, there is a famous Art Museum where you can see works by renowned artists.
